

Outline: The Title of Your Paper^{*}

Your Name[†]

2020

1 Introduction

- In point 1, I will like to contribute to the literature based on (Chen, 2018) model settings and assumptions.
- point 2

1.1 Industry Background

- This idea can be elaborated by the following:
 1. first point Chen (2019)
 2. second point

2 Data

- idea 1
- idea 2

^{*}I thank Professor Chen and Hao-Che Hsu for useful comments and suggestions. All errors are my own.

[†]Department of Economics, University of California-Irvine. E-mail: yourUCInetID@uci.edu. UCI-ID.

3 Model

- idea 1
- idea 2

3.1 Estimation

- idea 1
- idea 2

4 Conclusion

Summarize the findings.
